## PROFILE

Passionate about coding and excited to be a Software Engineer. Just graduated with a BS degree in Computer Science and eager for an opportunity to prove myself as I transition to a new career after nearly 30 years of working in Accounting. Many of the same skills utilized in Accounting such as attention to detail, critical thinking, and problem-solving are also needed in a Software Engineer role.

## EDUCATION

Western Governors University  
Bachelor of Science, Computer Science  
Graduated: December 2019

## CERTIFICATIONS

Oracle Database SQL Certified Associate  
ITIL® Foundation in IT Service Mgmt  
CompTIA Project+  
CIW Site Development Associate

## SKILLS

Competent in the following:  
Python, Java, PHP, Javascript, C++, SQL,  
HTML, CSS, VBA, Laravel, React, Vue,  
Express, Node JS, Microsoft Office, SAP

## WORK EXPERIENCE

<b>Ingram Micro</b> Irvine, CA	<b>Accounting Manager</b> Managed our company's vendor accounting department and was responsible for over \$3 Billion in receivables each year for various special pricing programs. Trained our staff in the US and shared service team in the Philippines, and kept our 90+ days receivable bucket below 1% of our entire aging balance while handling all the top-level escalations. Reviewed and approved all team journal entries and account reconciliations. Responsible for preparing and maintaining specialized reporting for Director review.	<b>2011 - 2019</b>
<b>Insight</b> Tempe, AZ	<b>Senior Analyst</b> Responsible for managing vendor special pricing programs to ensure proper claim submission and collection of vendor payments to clear receivables. Creating monthly reports and completing journal entries and account reconciliations. Regular meetings with each of the vendors to communicate current status of open items and review issues from both sides.	<b>2008 - 2011</b>
<b>Cashcall</b> Anaheim, CA	<b>Production Manager</b> Motivate, train, and manage a staff of 30 loan agents to sell personal unsecured loans including scheduling, hiring, and termination of agents. Directly reported to VP of Sales and responsible for providing reporting on our monthly goals and production numbers. Handled all team client escalations to ensure satisfaction.	<b>2005 - 2008</b>
<b>Potter Roemer</b> City of Industry, CA	<b>Accounting Manager</b> Responsible for managing all facets of the accounting department including all functions related to accounts payable and accounts receivable, preparation of financial reports, ensuring month-end deadlines are met, ensuring the department is running according to company standards and protecting the safety and confidentiality of all financial records.	<b>1999 - 2005</b>
